

Ausable Valley Animal Shelter

In 2007, we finally realized our dream of building a new shelter! It is a beautiful, yet very utilitarian facility that comes with a \$400,000 mortgage. We will continue to actively raise funds to pay our monthly payment of about \$2,000, all while continuing to raise funds for daily operations which amount to about \$85,000 annually. It is a very tough job in this economy. If you would like to help our cause, please become a member and/or make a donation today! Thank you!

Your support is greatly appreciated!
